

**A SIGHT THAT'S BEEN SEEN-
VISION ACHIEVED THROUGH DAUGHTERS OF WISDOM GRANT MONEY**

The Bon Secours Maryview Foundation Healthcare Center's Diabetic Eye Care Center of Portsmouth, Virginia, a recipient of the 2015 Daughters of Wisdom Mission Grants, achieved their goal of serving low-income, uninsured and underinsured individuals suffering with visual problems due to diabetes, through awarded grant money. The grant was used to provide eye exams and eyewear to prevent blindness for

approximately 100 clinic patients. Pictured (L-R) are Sr. Rita Thomas, CBS, Carrie Farmer, Bon Secours Foundation, Dr. Kristina Ramsey, OD, Valerie Summers, Health Care Center Administrative Director, and Sr. Grace Malonzo, DW.
