Reflection

by Ellie Filippone, AW

"Associates at Star of the Sea," the annual gathering of our community in Port Jefferson, once again lived up to its anticipation. Some of us were able to be present for the entire weekend; others hopped the ferry late afternoon on Friday and hopped back on Saturday evening; some came for the day on Saturday. No matter the time, it was a coming together of associates and sisters that made the weekend joyful, fun and contemplative too.

Food, food and more food provided a place of holiness around the table, and in the sharing of a meal we shared part of our lives since we last were together in community. We seem to be in celebratory mood when we are together and that happiness was captured in the photos that Catherine took on Saturday. Just look at this smiling face! →
