PURPOSE:

The Daughters of Wisdom Grant Fund has as its purpose the furtherance of the Mission of the Daughters of Wisdom for projects that address injustice, violence, poverty, and oppression, especially among women and children.

APPLICATION PROCESS:

The Daughters of Wisdom Grant fund operates on a two-step application process. This process involves a pre-grant application followed by a formal grant application.

1. **Pre-Grant Application.** This step provides an opportunity for the applicants to submit information about the organization, the project and how it reflects the mission and purpose of the Fund. The Daughters of Wisdom Grant Fund Committee will decide if the applicant is to be invited to submit a formal grant application.

Time frames for submission of applications can be found on our website at www.daughtersofwisdom.org under the tab Ministries/Wisdom Grant Fund.

2. **Grant Application.** Provides more extensive information regarding the Organization, the Project, budget, staffing, population served and goals and objectives. The application consists of four pages:
 - i. Contact Information
 - ii. Organization Information
 - iii. Proposal Request
 - iv. Financial Information

The Daughters of Wisdom Grant Fund Committee studies grants to determine if the project falls within the guidelines and purpose of the Daughters of Wisdom Grant Fund.

Note:

- *Only Projects in harmony with the Mission are funded.*
- *Land or building construction or purchase is not funded.*
- *Funds not used by recipients must be returned by the end of the grant year.*
