

## **MARGO BROMFIELD REFLECTS ON 25 YEARS AS AN ASSOCIATE OF WISDOM**

Associates with the Daughters of Wisdom number over 30 members in the USA Province and can be found in states ranging from Maine to Florida, including Connecticut, Massachusetts, New York, New Jersey, and Virginia. Associates maintain their own lifestyles, independence and personal commitments and are involved in ministries that range from full-time jobs to volunteerism. They are committed to witnessing Wisdom's presence in the acts of compassion, justice, and care for creation. In journeying with the Daughters of Wisdom, Associates are a community within the community of the Wisdom family sharing in the spirituality, mission, and history of the congregation.

Following the spirituality of Wisdom as a layperson, this year Margo Bromfield, pictured right, celebrates 25 years as an Associate of Wisdom. [Read about her journey by clicking here.](#)
