

Tidewater Sowers of Justice Thrilled to be Recipients of Daughters of Wisdom Spring Appeal

(9/2016) During a recent monthly meeting, Virginia Daughters of Wisdom, Srs. Margaret McCabe and Grace Malonzo were thrilled to share the outcome of the Daughters of Wisdom 2016 Spring Appeal to support the work of the Tidewater Sowers of Justice (TSOJ). Tidewater is one of the foundational

communities (1940's) of the Daughters of Wisdom in the United States.

Passion for the people of Tidewater continues today through the ministries of Srs. Margaret and Grace. As members of the TSOJ, an ecumenical organization, their

ministries involve seeking justice and advocating for the common good with compassion where it concerns the environment, legislation, poverty, immigration, racism, and women. The committee was very grateful for the generous amount of money raised and TSOJ leadership will soon determine which of their diverse ministries would benefit most from financial assistance. We'll keep you posted! Thank you to our generous benefactors!
